A children's concert!

Saturday, April 3, 2010

10:00 – 11:00 a.m.

Cubberley Community Theater
4000 Middlefield Road, Palo Alto

The award-winning **Banana Slug String Band** is a group of lovable musicians and educators from the coastal redwoods of Northern California. With vocals, guitars, mandolin, bass, harmonica, banjo and percussion, Slug songs range from rockin' boogies to sensitive ballads; folk songs to reggae and rap. Music, theater, puppetry and audience participation create a fun-filled learning experience. As Slug fans across the country know, the Banana Slugs' music is contagious! Children can't help singing, dancing and laughing along... all while learning important science concepts about this home we call Earth.
